INTRODUCTION

The student literature evangelism movement is dynamic and growing, as well as life-changing— as are the songs we sing, hence the 5th edition of this songbook.

Choices for this songbook were based on the following criteria:

- 1) That the songs are meaningful and relevant to our Christian lives, including some that particularly pertain to life as a student LE
- 2) That the music and lyrics lend themselves to being sung in a way that pleases God, not just ourselves
- 3) That the songs have quality lyrics and are reasonably easy to sing in a group setting

In this collection of songs you'll find relevant, meaningful, moving songs which touch every aspect of our Christian experience. Grateful thanks to all who have contributed songs and given other input to this book. May these all help us to “speak to one another with psalms, hymns and spiritual songs” and to “sing and make music in our hearts to the Lord” as Ephesians 5:19 encourages us to do.

That exalteth itself against the knowledge of God
And bringing into captivity
Every thought to the obedience of Christ

And then we'll meet those familiar faces
We helped direct to our precious Savior

AMAZING GRACE

by John Newton

SDAH 108

D D7 G D
Amazing grace how sweet the sound
 Bm A
That saved a wretch like me
D D7 G D
I once was lost, but now am found
 A D
Was blind but now I see

'Twas grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed

The Lord has promised good to me
His word my hope secures
He will my shield and portion be
As long as life endures

Through many dangers, toils and snares
I have already come
'Tis grace hath brought me safe thus far
And grace will lead me home

When we've been there ten thousand years
Bright shining as the sun
We've no less days to sing God's praise
Than when we'd first begun

AND CAN IT BE

by Charles Wesley

SDAH 198

D G A D
And can it be that I should gain
G A D E A
An interest in the Savior's blood?
D A
Died He for me, who caused His pain—
G D A D
For me, who Him to death pursued

Chorus

A A7 D
Amazing love! How can it be
G D G A D
That Thou, my God, shouldst die for me?

He left His Father's throne above
So free, so infinite His grace—
Emptied Himself of all but love
And bled for Adam's helpless race
'Tis mercy all, immense and free
For O my God, it found out me

No condemnation now I dread
Jesus, and all in Him, is mine
Alive in Him, my living Head
And clothed in righteousness divine
Bold I approach the eternal throne
And claim the crown, through Christ my own

As freedom after bondage, as sunrise to the day
As home to the trav'ler and all he longs to see

Here I raise my Ebenezer, hither by Thy help I've come
And I hope, by Thy good pleasure, safely to arrive at home
Jesus sought me when a stranger, wandering from the fold of God
He to rescue me from danger, interposed His precious blood

O to grace how great a debtor daily I'm constrained to be
Let Thy goodness, like a fetter, bind me closer still to Thee
Prone to wander, Lord I feel it, prone to leave the God I love
Here's my heart, O take and seal it, seal it for Thy courts above

FILL MY CUP LORD

by Richard Blanchard

SDAH 493

G
For things that could not satisfy
G7 C
And then I heard my Savior speaking
D D7 G

D D7 G
Fill my cup, fill it up and make me whole!

There are millions in this world who are craving
The pleasures earthly things afford;
But none can match the wondrous treasure
That I find in Jesus Christ my Lord

So, my children, if the things this world gave you
Leave hunger that won't pass away
My blessed Lord will come and save you
If you kneel to Him and humbly pray

That lamp of safety, o'er the gloom shall brighten
That light alone the path of peace can show

C G C
I'll be what You want me to be

Perhaps today there are loving words
Which Jesus would have me speak
There may be now, in the paths of sin
Some wand'rer whom I should seek
O Savior, if Thou wilt be my Guide
Tho' dark and rugged the way
My voice shall echo the message sweet
I'll say what You want me to say

There's surely somewhere a lowly place
In earth's harvest-fields so wide
Where I may labor thro' life's short day
For Jesus, the Crucified
So, trusting my all unto Thy care
I know Thou lovest me
I'll do Thy will with a heart sincere
I'll be what You want me to be

Knowing Christ as Savior, make Him master, too
Follow in His footsteps, go where He has trod

See mankind as God sees, serve Him far and near
Let your heart be broken by a brother's pain

Though the whole world against me convene
Watching with prayer and much self denial
Triumph at last, with nothing between

G D G Bm
Oh, who will come and go, come and go with me?

G A D
I am bound for the promised land

O'er all those wide extended plains shines one eternal day
One eternal day

There God the Son forever reigns, and scatters night away
Scatters the night away

When I shall reach that happy place, and be forever blest
Be forever blest

When shall I see my Father's face, and in His kingdom rest
In His kingdom rest

Filled with delight my raptured soul would here no longer stay
Here no longer stay

Though Jordan's waves around me roll, fearless I'd launch away
Fearless I'd launch away

ONCE TO EVERY MAN AND NATION

SDAH 606

by James Russell Lowell

Em B7 Em D Em B7 Em
Once to every man and nation, comes the moment to decide
Em B7 Em D Em B7 Em
In the strife of truth with falsehood, for the good or evil side
G D Em B7
Some great cause, God's new Messiah
Em D Em B7
Off'ring each the bloom or blight
Em B7 Em B7 Em
And the choice goes by forever, 'twixt that darkness and that light

Then to side with truth is noble, when we share her wretched crust
Ere her cause bring fame and profit, and 'tis prosperous to be just
Then it is the brave man chooses while the coward stands aside
Till the multitude make virtue of the faith they had denied

By the light of burning martyrs, Christ, Thy bleeding feet we track
Toiling up new Calv'ries ever with the cross that turns not back
New occasions teach new duties, time makes ancient good uncouth
They must upward still and onward, who would keep abreast of truth

Though the cause of evil prosper, yet 'tis truth alone is strong
Though her portion be the scaffold, and upon the throne be wrong
Yet that scaffold sways the future, and behind the dim unknown
Standeth God within the shadow, keeping watch above His own

by Sabine Baring-Gould

SDAH 612

[illegible]

Chorus

D A A7 D
Onward, Christian soldiers, marching as to war

A D G A D
With the cross of Jesus, going on before

Like a mighty army, moves the church of God
 Brothers we are treading, where the saints have trod
 We are not divided, all one body we
 One in hope and doctrine, one in charity

Crowns and thrones have perished, kingdoms rise and wane
But the church of Jesus, constant will remain
Gates of hell can never 'gainst that church prevail
We have Christ's own promise, that can never fail

Onward then ye people, join the happy throng
Blend with ours your voices in the triumph song
Glory, praise and honor, unto Christ the King
This through countless ages, men and angels sing

THE ALL SUFFICIENT KING

D Em A
We enter through Your gate

We scan the altar where the Lamb
D E A
Displays Your love so great
Em A
We bring our hands and heart and head
E A
Where sinful dust does cling

Before the laver of Your grace

That makes us pure and clean

We step into Your Holy Place
To walk and live in light
To feed on You and offer prayer
Like incense in Your sight
O Great High Priest, we sing to You
Enthroned behind the veil
Between the angels is our Lord
Who always does things well

That ancient tent, O Lord, is You
Our safe abiding place
A shelter in the wilderness
Is Your sustaining grace
How mighty does Your Word reveal
The All Sufficient King
To You today our praise we bring
To You our anthems ring

See, from His head, His hands, His feet
Sorrow and love flow mingled down
Did e'er such love and sorrow meet
Or thorns compose so rich a crown

Were the whole realm of nature mine
That were an offering far too small
Love so amazing, so divine
Demands my soul, my life, my all

Soon the pearly gates will open
We shall tread the streets of gold

So I gotta go and tell them what You've done for me

Sleepin' on floors, in spare rooms
Short nights and long afternoons
I sure would never do this for nobody but You
Grabbin' my bag, stocked up on books
Getting' ready to knock on some doors
I wouldn't be here today if it wasn't for You

SOMEDAY SOON

by Nelson Ernst and Scott Hubbard

G C Em D
Someday soon there'll be no pain
G C D G
In a land that's clothed in eternal day
G C Em D
The path to get there we've been told
G C D G
But we can't go there till everyone knows

Em C
And this gospel of the kingdom shall be preached in every land
Em C
To every nation, tongue, and kindred and some will take a stand
Em C
And when the voice of mercy has pleaded one last time
Em C D
Then the king in all His power shall come and shall not hide

G C
Then we'll fly from this dark and lonely land
G D
As we rise to meet our Savior hand in hand
G C
And we'll fly up to our home in glory land
G
On the streets of gold we'll play and sing
D
There'll be joy on every hand!!

G C
Then we'll play with the dolphins in the sea
G C D
We'll wing our way atop the mountains and the trees
G C
And we'll soar with the eagles in the breeze
G
As we look upon that land of day
D C/G
Hallelujah we will sing!

G C Em D
 Soon there'll be no death or fear
 G C D G
 In a land where God will wipe away our tears
 G C Em D
 But we might be there all alone
 G C D G
 If we don't tell the lost about their heavenly home

Em C
 Multitudes are waiting, they're waiting to decide
 Em C
 They need to hear a message about a Savior crucified
 Em C
 Jesus won the victory that dark day upon the cross
 Em C D
 And all He asks of you and I is that we seek and save the lost

G C
Then we'll sing in the temple of our God
 G D
And we'll greet our brothers who were lost
 G C
Then we'll kneel and cast our crowns at Jesus feet
 G
As we look upon His wounded hands
 D
We'll see what set us free

G C
Then we'll smile with our faces all aglow
 G D
As we bow before our Father's fiery throne
 G C
And we'll shout "By your Son I've overcome
 G
I once was lost but now I'm found
 D C/G
Now Father I am home"

Friday Sundown

A D A D A E A
Sun be setting, Sabbath come, bring God's rest into our home
D A D A E A
Rest from worry, rest from fear, rest found when our God is near
D A D A E
We remember what You've done, created all through Your dear Son
A D A D A E A
Then gave peace upon a tree, that we might find the rest we need

Work aside, the week is done; calm your spirit—Sabbath's come!
No more worry, no more fear, no more scurry, Sabbath's here!
Special moments on this day—we want to find the peaceful way
Always on the Sabbath blessed, we trust You for this holy rest

Sabbath Sundown

Sun be setting, Sabbath fades, rest with God we found today
Rest from worry, rest from fear, rest found when our God is near
Father take us by the hand, lead us through this foreign land
Till we find eternal rest, in the homeland of the blest

O, let the ancient words impart

We have come with open hearts

Righteousness being restored
Bm Em
And though these are days of great trial
C Am D
Of famine and darkness and sword

Chorus

G C
Behold, He comes riding on the clouds

Shining like the sun at the trumpet call
G C
Lift your voice, it's the year of jubilee
G D G
And out of Zion's hill salvation comes

These are the days of Ezekiel
The dry bones becoming as flesh
And these are the days of Your servant David
Rebuilding a temple of praise
These are the days of the harvest
The fields are as white in Your world
And we are the labourers in Your vineyard
Declaring the word of the Lord!

Redeemed from this world we do not miss
The angels will ask to tell them the story
Of when we went down singing like this:

Was walking the streets one day, I knocked on a door
The souls who had lost their way were searching for more
The message of hope that God gave to me
And now I know they are born again and free

Was walking the streets of gold by the River of Life
The splendor of joys untold filled my heart
The souls who were lost and had found the way
With tears they came to me praising God's name

Here we are! by His grace
Thank you, Friend, for the Gift you gave

I will speak My word to them, whom shall I send?

I the Lord of wind and flame, I will tend the poor and lame
I will set a feast for them, My hand will save
Finest bread, I will provide, till their hearts be satisfied
I will give My life to them, whom shall I send?

So let's raise our candles and light up the sky
Praying to our Father in the name of Jesus
Make us a beacon in darkest time

Chorus

Now praising the Father is a good thing to do
Worship the Trinity in spirit and truth
But, if we worshipped all of the time
There would be no one to lead the blind

Worship is more than just singing a song
It's all that you say and all the things that you do
It's letting His Spirit live in you

D G
Smile, smile, smile, and clouds will pass away
C G C
Smile, smile, smile, it's better far than pining
F C Am G7 C
You never mind the shadows on a sunny day

Sometimes you meet with people who always act so blue
They don't like this, they don't like that, no matter what you do
They never are quite suited with anything you say
And when you start to do a thing they want a different way

And so like birds and sunbeams, we should be cheery too,
And try in every single thing our very best to do
Then drive away ill temper, forget to frown or pout
For Mr. Grouch-man's waiting 'round to catch you, just look out

Last line of third chorus:

And soon you'll see the sunbeams stealing down your way

F D G
But first help me just to live it Lord
C F Dm G Em
And when I'm doing well, help me to never seek a crown

Additional verses:

Call out among the scoffers

It was my sin that held Him there
Until it was accomplished
His dying breath has brought me life
I know that it is finished

BIG BOOK SONG

by Nelson Ernst

C F
Precious Jesus save me
C
From my sinful erring way
F
For Thy name's sake guide Me
C
Through the narrow gate each day

Dm
Lord I know your Bible tells me
G
That all have gone astray
Dm
Be my rock, my strength, my grace sufficient
G
From day to day

C Em
You're my hope, You're the Word
Am
My way my truth my life, my light of day
F
Jesus nail my filthy garments
G G7
On that cross far away

You're my Friend, my only key
The one who pulls me from the darkened sea
Jesus take my old man
And nail him to that tree

C F
Son I've heard your pleading
C
And I long to see you whole
F
Take up your cross and follow Me
C
And I will lead you home

Dm
Turn from your evil ways
G
And I will give you grace
Dm
Search after Me with all your heart
G
And you'll endure this race

C Em
Return unto Me
Am
And I will heal thy backslidings
Am
My Son I want to pluck you
G G7
From the fiery flames

C Em
Child I want to take you home
Am
Be faithful and overcome
F
Only strive a little longer
G G7 C
And then I'll come

TREASURE SONG (Matthew 6:21)

by Gary Chapman

D Bm
They say that were your treasure is
Em
There your heart will be also
A7 D
Your heart is where you'll find your greatest love
D Bm
So will you leave it here below
Em
Where thieves may steal tomorrow
A A7 D
Or take it to a higher place above

Chorus

G A7
There's a treasure at the end
D Bm
Of this narrow road I'm traveling
G A D D7
That gives me a purpose for my life
G A
Jesus, is my treasure
D Bm
He's the reason that I'm living
G A D
And He'll be the reason 'til I die

So if you're wondering where you're at
Or where it is you're going
He's left the map for you and me to read
So take the map and follow close
Going where it's showing
I know that you will get there in the end

One to sin and doubt
The other leads me heavenward
Where I can sing and shout

Chorus 2

With open heart and open mind
I'll take my stand and make my choice

I choose to know you because you first knew me
Of all the things that I could choose to do

In Christ alone! - who took on flesh
Fullness of God in helpless babe!
This Gift of love and righteousness
Scorned by the ones He came to save
Till on that cross as Jesus died
The wrath of God was satisfied
For every sin on Him was laid
Here in the death of Christ I live

There in the ground His body lay
Light of the world by darkness slain
Then bursting forth in glorious Day
Up from the grave He rose again!
And as He stands in victory
Sin's curse has lost its grip on me
For I am His and He is mine
Bought with the precious blood of Christ

No guilt in life no fear in death
This is the power of Christ in me
From life's first cry to final breath

Jesus commands my destiny
No power of hell no scheme of man
Can ever pluck me from His hand
Till He returns or calls me home
Here in the power of Christ I'll stand!

QUIERO CANTAR UNA LINDA CANCIÓN

(D,Bm, Em, A,)

Quiero cantar una linda canción, de un hombre que me transformo

Quiero cantar una linda canción, de aquel que mi vida cambio

Es mi amigo Jesús, es mi amigo mas fiel

El es Dios, El es Rey es Amor y verdad

Solo en El, Encontré, esa paz que busque

Solo en El Encontré, la felicidad

Unidos cantemos y gloria entonemos al maravilloso Jesús

Unidos cantemos y gloria entonemos al maravilloso Jesús

Religiones habrán, pero no salvaran

Solo Cristo Jesús me dará salvación

Y con El viviré por la eternidad

Y con El viviré por la eternidad

HAY LUGAR EN LA AMPLIA VIÑA

Hay lugar en la amplia viña
Para todo labrador
Ven y ayuda en la campiña
Del amante Salvador
Hoy esperan muchas almas
La salud espiritual
Diles que Jesús las llama
A su reino celestial

Coro

Un lugar propicio quiero
Donde pueda trabajar
Aunque humilde, yo prefiero
Ir de Cristo a predicar
Dar la luz de Cristo al mundo
Que se encuentra en perdición
Ha de ser celo profundo que domine el corazón

2

Quiero ser un buen maestro
Como fuera el Redentor
Dar la Biblia al mundo entero
Donde encuentre salvación
A los que le han conocido
Jesucristo invita hoy a salvar a los perdidos
Por los cuales El murió

3

Con las huestes celestiales
Ante el trono de Jesús
Han de unirse los mortales
Redimidos por la cruz
Y con gozo allá en la gloria
Cantaremos la canción
De los triunfos y victorias
Que nos dieron redención

LA BIBLIA NOS HABLA DE CRISTO

C G7 C
La Biblia nos habla de Cristo y de su muerte en la cruz
F G D7 G G7
Su santa Palabra ha dicho que El pronto vuelve en luz

Chorus:

C F C
¿Te hallas listo a encontrar al Señor?
F C
¿Lo haces todo con fe, con amor?
Am F Em
¿Has peleado por fe la batalla del bien?
F Am G
¿Pueden otros a Cristo en ti ver?
C F C
¿Eres fiel por doquiera que vas?
F C
¿Puedes tu contemplarlo en su faz
F G C A7
Y triunfante decir: “Este es mi Dios”?
Dm G7 C
¿Puedes tu encontrar al Señor?

No anheles el bien de esta vida, pues ella se pasará
Entrégate a El sin medida, que hoy llamando está

No dejes que pase más tiempo sin entregarte a Jesús
Alístate, pues el Maestro muy pronto vuelve en luz

JAMÁS PODRÁ ALGUIEN SEPARARNOS

Em Am B7
Jamás podrá alguien sepa- rarnos

Em Bm D7 G
De Cristo nuestro Redentor
D7 G D7 Em B7

Ni cosa alguna arre-ba- tar-nos
Em B7 Em

El gozo de su tierno amor
D7 Em

Ni luchas, pruebas o dolores,
Am Bm

Ni amenazas o aflicción
Em B7

Ni aun este mundo y sus honores,
B7 B7 Em

Su pompa, gloria y tenta- ción

Con furia loca lo azotaron,
Y así humillaron al Señor
Y sin piedad atravesaron
Las manos de mi Salvador
A esos pies que caminaron
Para sanar y bendecir
Horribles clavos traspasaron,
La suerte humana al compartir

Que horror que por mi vil pecado
El Salvador así sufrió
Que por mis culpas fue azotado
Y burlas crueles recibió
¿Ingratos hemos de alejarnos
De Aquel que tanto nos amó
Y con anhelo de salvarnos
Su propia vida entregó?

OH QUE AMIGO NOS ES CRISTO!

D G
Oh qué amigo nos es Cristo!

D A
El sintió nuestra aflicción

D G
y nos manda que llevemos

A D
todo a Dios en oración.

A D

¿Vive el hombre desprovisto

G D D
de consuelo y protección?

D G
Es porque no tiene dicho

A D
todo a Dios en oración.

¿Vives débil y cargado de temor y de tentación?

A Jesús, tu amigo eterno,
cuenta todo en oración.

¿Te desprecian tus amigos?
Dilo a él en oración:

en sus brazos cariñosos
paz tendrá tu corazón.

Jesucristo es nuestro amigo;
de esto pruebas mil mostró
al sufrir el cruel castigo
que el culpable mereció.
Y su pueblo redimido
hallará seguridad
fiando en este amigo eterno
y esperando en su bondad.

EL CLAMOR FINAL

Siento el sonar, sonidos de vientos.
Y lo siento más cerca.
Más cerca que el ayer.
Puedo oír ya la trompeta.
Puedo ver ya a los salvados.
El señor vendrá, y los cielos se abrirán

Cuando Cristo venga, bajando en sus nubes
Los muertos resucitaran y se levantarán
Y todos los que estemos aquí- seremos transformados
Al Clamor final, los cielos se abrirán

Grandes profecías. Cumpliéndose están
Y el pueblo escogido, persecución tendrá
Solo falta poco tiempo. Todo indica que ya está cerca la venida del
señor
Al Clamor final, los cielos se abrirán

Cuando Cristo venga, seremos transformados
Al Clamor final, los cielos se abrirán
Los cielos se abrirán.

Ha dado el padre Al hacernos hijos de Dios

GRATO ES CONTAR LA HISTORIA

G C G
Grato es contar historia de celestial favor,
D G D
De Cristo y de su gloria, de Cristo y de su amor
G Em B7
Me agrada referirla, Pues se que es la verdad
C G D G
Y nada satisface cual ella mi ansiedad

Coro

D G C G
¡Cuan bella es esta historia! Mi tema alla en gloria
C G D G
Sera ensalzar la historia de Cristo y de su amor

Grato es contar la historia mas bella que escuche
Mas aurea, mas hermosa que cuanto yo sone
Contarla siempre anhelo, pues hay quien nunca oyo
Que, para redimirle, el buen Jesus murioi

Grato es contar la historia que placentera es
Y es mas, al repetirla, preciosa cada vez
La historia, pues, que canto, oid con atencion
Porque es mensaje santo de eterna salvacion

Grato es contar la historia de todas la mejor
Que cuanto mas se escucha, infunde mas amor
Y cuando all en la gloria entone mi cantar
Sera la misma historia que tanto supe amar
